GETTING

tough

WE KNOW how to have a good time.

Dear LHN Family,

If you haven't noticed, this yearbook is a little different from all the rest. The theme this year is Getting Tough.

We had a number of reasons for picking this theme. This year in sports we were Getting Tough because the last thing we want is a blue bell. Just in case you were sleeping, you should realize classes are Getting Tough. Teachers have been expecting much more from us. Our lives have been Getting Tough. More of us have jobs and the major concern of "fitting in."

Things may be Getting Tough, but we always have hope in the Lord, "Even youths grow tired and weary and young men stumble and fall; but those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary; they will walk and not be faint." (Isaiah 40: 30-31)

Things might be Getting Tough, but let's remember there's never impossible!

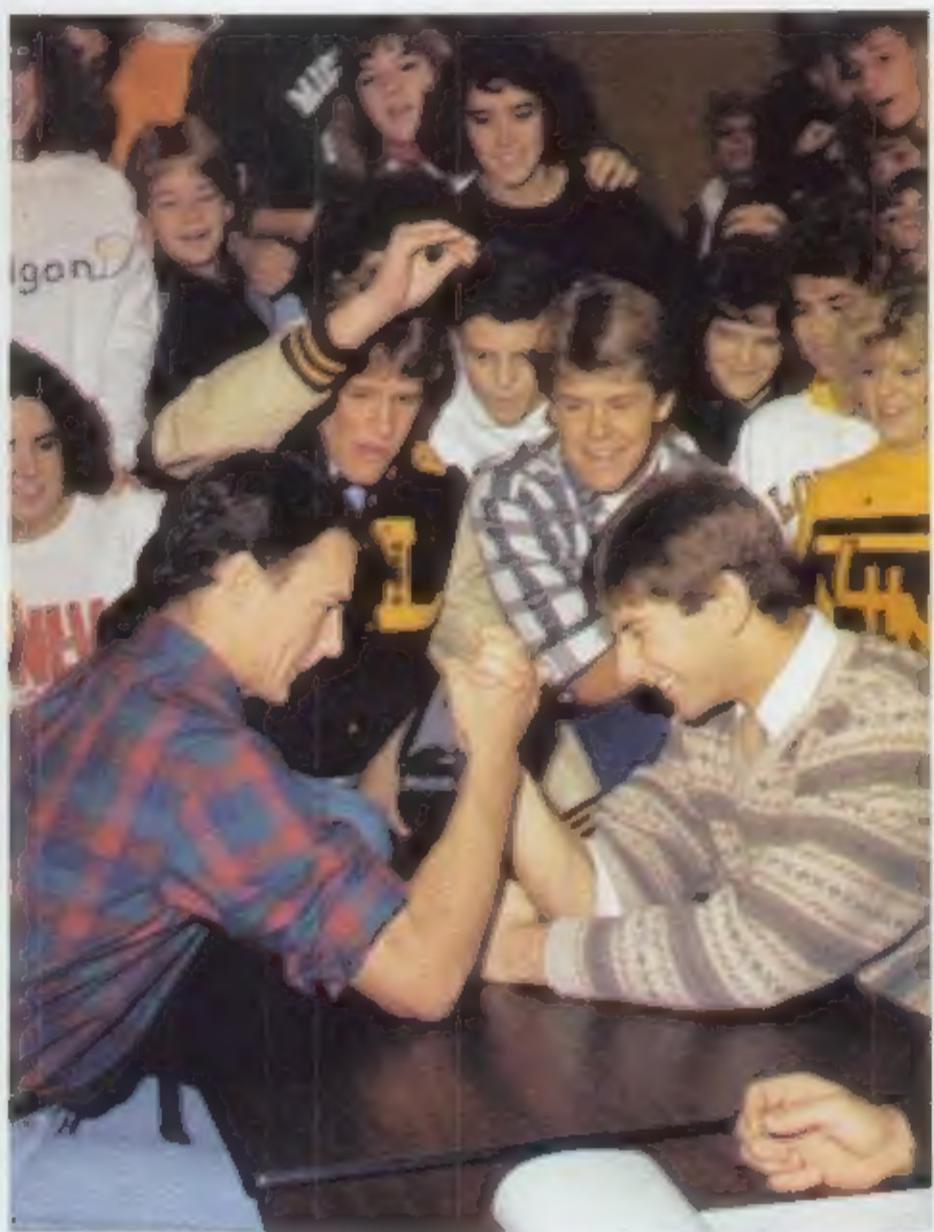

God's Blessings,

Michelle Thompson

GETTING

tough

It's been tough. From the lowliest freshman to the exalted senior, student life is tough. Getting an F on that paper on which you spent three whole days. Eagerly awaiting lunch and those chocolate chip cookies only to open your locker and find your lunch has been raided. Not being allowed to take your gym final because you owe the library 10 cents. Receiving that dreaded NOW pass from the long arm of the law. It's been tough, and it will get even tougher, but by hard work and a little skill we'll get by.

GETTING

tough

Where would a school be without academics? From the densely populated popular classes to the scarcely populated hard ones, academics are the backbone of LHN. Nine weeks can seem like an eternity if you sit in the corner, removed from your friends. Whether you make the principals list or not, a class at LHN can be a fun, exciting, and an educational experience.

GETTING

Tough

The year in sports at LHN was one of excitement and disappointment. The elation of that last minute winning basket and the frustration of the field goal that missed. Throughout the year, the sports teams worked hard and tried their best to the glory of God. Some teams did better than others, but all worked together for a common purpose. Everyone came out winners. We can truly be proud of our LHN athletes.

VARSITY FOOTBALL

This year's football season started out with great expectations and goals, as all seasons do. However, the season did not turn out as we would have liked. We finished with a four and five record which was much worse than we had planned.

At times, everyone became frustrated with the way we were playing. We never were able to figure out what kept us from giving our best effort throughout the season. We did not play consistently during each game, which made it hard for us to improve our skills.

In spite of a few difficulties, the team's performance also had many positive aspects. We all worked well together and a lot of good plays were made. Our defense often was very strong against

tough opponents.

One of the most difficult losses was against Lutheran High East. The painting of our bell blue by our rivals was an insult to our school spirit. Unfortunately, we were unsuccessful in avenging our honor.

We wish to show our appreciation to the many fans who came out to watch our games even when we weren't successful. They truly showed school spirit.

We will always have special memories of the season. It was good to know that we consistently had friends and coaches on whom we could depend for advice and support.

VARSITY GIRLS BASKETBALL

Even though the 1986 girl's basketball team did not start out as planned, the team had a very successful season, finishing with a 21-2 overall record and taking its fifth consecutive conference championship with a 14-0 record.

This year's team had to survive knee surgery and 3 car accidents involving some of its key players. Despite this, the team was able to set a new record, by scoring 107 points against Harper Wood. The team also gave Mr. Witte the 100th victory of his career when they beat Lutheran West.

This season was not only special because of its accomplishments but because of "operation overflow."

Through the ideas of a few parents, the gym was filled with spectators for the last home game against Marysville. It meant a lot to all of the team to look up into the stands and see their families and friends cheering.

This year we were able to make it to the final round of the districts. We took revenge on Brablec, by beating them by 28 points. Last year, they knocked us out of the Districts in the first round by beating us by one point. We also had a unique opportunity to play and defeat East for a third time in the Districts.

With only 5 graduating seniors, next year's team is sure to be excellent again.

THE OPPONENT is left behind in the dust.

VARSITY SOCCER

ANTICIPATING a goal is Coach Saleska

I believe the greatest compliment any team can receive is that they played as a team. The Varsity soccer team exemplified this. The team worked hard and showed good spirit in compiling a 15-3-1 record.

The early part of the season was disappointing in that in our home opener we lost to Brandon. This loss dropped us out of the state rankings and elevated Brandon. After this, the team showed character in coming back off the disappointing loss and stamped its next few opponents. We continued our winning ways until falling in overtime to highly touted Cranbrook. About a week later in an emotional game at Cranbrook, we came out with a much deserved tie.

The most memorable game was the opening against

Bishop Gallagher in the districts. We rallied in the second half with fine offensive play and a stellar performance from the defense and netminder. We later beat Brablic in the district final. In regional play the team surprised third ranked Bishop Foley by scoring midway through the second half. We later suffered a loss in the regional finals to Country Day ranked second in the state.

In looking back on the season the greatest sense of accomplishment comes from winning the Metro Conference championship and finally getting a banner in the gym. We ended up ranked tenth in the state.

Each participant had a great sense of accomplishment.

VARSITY BASKETBALL

The 1986-87 Mustang basketball team finished with a 12-9 record. For the first time in the school's history the team tied for first place in the Metro Conference.

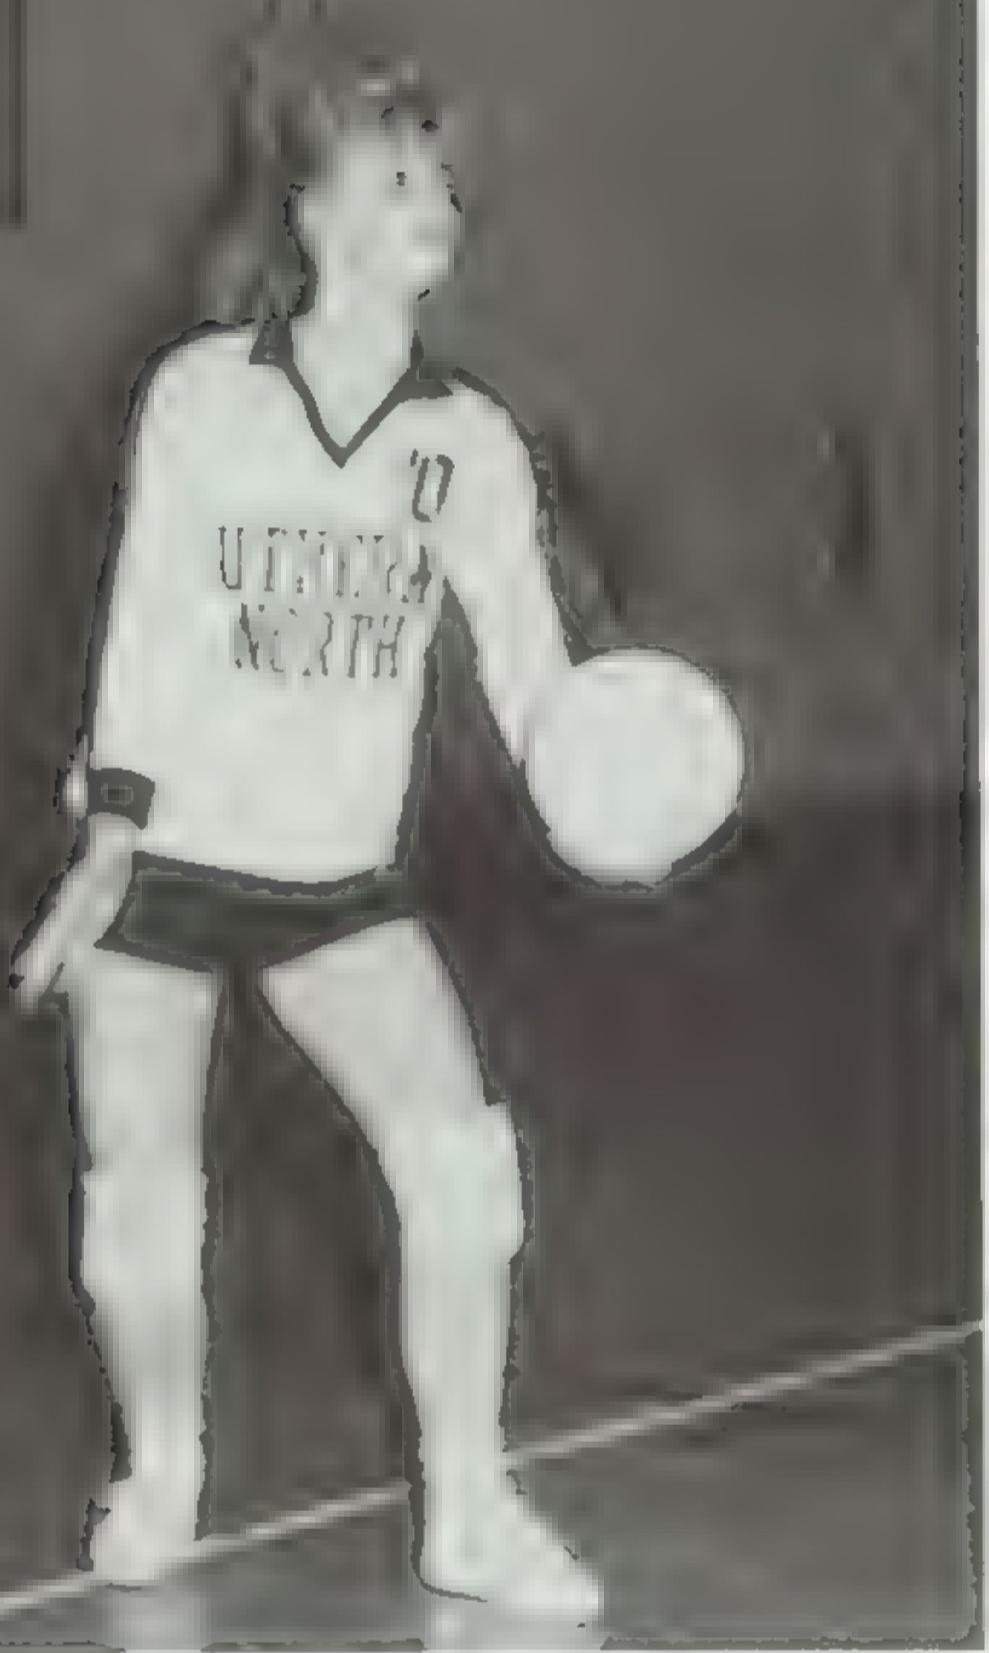

The low point of the season would have to be when our conference record was 3-4. At the beginning of the season some people thought that we would have no problem winning conference, but we proved them to be wrong. However, we came back with a 6-0 run that guaranteed at least a share of the conference title. The last conference game of the year at East would have to be the most exciting game of the year. Nearly the entire school traveled down to East to watch the game. Unfortunately, we lost that game which resulted in the tie for first.

"For the first time in the school's history, the team tied for first place in the Metro Conference."
— Matt Preuss

The season ended soon after with a first round loss to Warren Fitzgerald in the state playoffs.

With the conference season over, there were three members of the team honored. George Haddad was named first team All-Conference, John Bailey second team All-Conference, and Dave Mooneyham was named honorable mention All-Conference.

UP, UP and away!

TEAMMATES work together to get the ball over the net.

VARSITY VOLLEYBALL

The 1986-87 Girl's Volleyball Team had a new coach this year — Mr. Baginski. He brought in new strategies that aided in a successful season. Team leadership came primarily from the three seniors: Holly Gottschalk, Tammy Leibnitz, and Christine Finks.

Through the season we were able to take advantage of our height with strong spiking and blocking. New records were set in both areas. We were also blessed with quicker players, led by Chris Finks. We were very fortunate to be given such a well-rounded team in the areas of setting, spiking, and serving.

Certain volleyball team

members also earned special honors. A second team All-Conference award was given to Tammy Leibnitz and honorable mention to Holly Gottschalk. A second team All-Macomb County award was given to Tammy Leibnitz, and Holly Gottschalk received an honorable mention.

Next year's team shows great promise. Many girls will be returning and there will be room for much growth because of their experience.

HIT a good one.

"Mr. Baginski brought new strategies that aided in a successful season."

WRESTLING

The 1986-87 wrestling team was an underdog team. The team was very young with only five starting seniors; all the rest were underclassmen. The team did extremely well with an 11-4-1 record ending up 11th in Macomb County.

The team had a rough start, with a loss to Avondale, but the team improved greatly over the course of the season and later defeated Avondale in the conference tournament where Fred Schuessler, Todd Luecke and Jason Ewert were conference champs.

All of the wrestlers on the squad this year showed great improvement. Fred Schuessler had a very good year, ending the season as a state qualifier.

*"Each member
of the team
had his own
strong moments."*

— Will Stenke

John Raymond, Keith Haack, and freshman Todd Luecke all had strong seasons ending as regional qualifiers. Each member of the team had his own strong moments, and the season was enjoyed by all.

GIRLS TRACK

This past season in girl's track has been an exciting one. Many freshmen and sophomores stayed on the team this year which added more depth. The team was led by four seniors: Sue Sellers, Kerry Gremel, Shannon Sowell, and Sandy Fleming. Team accomplishments included taking second place in the Romeo Invitational, first place in the City Meet, and second in the regionals.

New school records included Patty Schramm in the 300 meter hurdles; the 3200 meter relay consisting of Kerry Gremel, Kristin Gardner, Linda Fitzpatrick and Shannon Sowell; and Sandy Fleming in the long jump.

Mr. Wolf had this to say about the year, "the people on this team did everything I asked of them and more. Everyone dropped their times and improved their marks as the season progressed."

BOYS TRACK

Under the direction of Mr. Lark and Mr. Schafer the men's track team had a successfull season. The team finished second in the conference which has eluded our past track teams. Also for the first time that anyone can remember Cranbrook was defeated.

Everyone contributed and twelve season records from last year were broken. The two mile relay team of Doug Forsyth, Rob Claus, Dave Schoon and Wes Gass not only broke last year's season record but also broke the school record.

The highlights of this track season weren't just the meets and races. Practice brought the best out of all of us and there are many memories which will be remembered. The 1987 men's track season was the best for many members. Hopefully the good memories and traditions will be continued.

This year's varsity baseball team, unlike any other before it, had to overcome several major handicaps. First of all, the players were the youngest in Lutheran North's history. Also, Dave Foerster was the only member of the entire group with varsity baseball experience. Due to the lack of seniors, two sophomores and one freshman were placed on the team.

In spite of these difficulties, the team was able to perform to the best of their ability and boast of many accomplishments. Several players were recognized for their special achievements.

Aaron Martlock was voted Most Valuable Player. He maintained a .385 season batting average and was given a position on the First Team-All Metro Conference as an in-

fielder. The Most Improved Player, Doug Asiala, made great progress and became an important member of the team.

Todd Herman, was chosen fourth in the Metro Conference in pitching and made the Second Team-All Conference as an outfielder. Troy Stark was included on the Honorable Mention-All conference list. Angelo Ferrari deserved credit for stepping into the position of catcher for the first time and doing a fine job.

The season was one in which the baseball teammates closely worked and learned together. Their determination and effort helped them to meet the challenge of inexperience successfully.

IN PERFECT catching stance is Angelo Ferrari.

SETTING UP for the kill is Stacey Bowman.

There are many times in an athlete's life where things just don't seem to be going her way. The 1987 softball season could probably be characterized by such a statement. Many times the team had comfortable leads only to lose the games in the final innings. This was frustrating but the team continued to strive to the best of their abilities.

This team had many of the characteristics which make a team great. The good school spirit, the enthusiasm for the sport, and the desire to win all played important roles in the

VARSITY

SOFTBALL

development of this team.

The team had a challenging season. Their were many talented members who contributed a great amount of hard work throughout the season. The team witnessed great improvement as they gathered experience and confidence. Although victory did not come easily for the Mustangs, the team fought hard to finish with a 5-9 conference record.

The school can anticipate the same great driving spirit and outstanding determination in next year's season.

"The team witnessed great improvement as they gathered experience and confidence."

GETTING

rough

Although not always organized, these special groups are an essential part of LHN. It is these groups that put on concerts, put out our yearbook and newspaper, and are the student governing body of our school. These groups are also an opportunity to get together with your friends and socialize, although it has been said it is difficult to talk and play the saxophone at the same time. Group activities and organizations offer yet another opportunity for LHN students to excel.

GETTING

tough

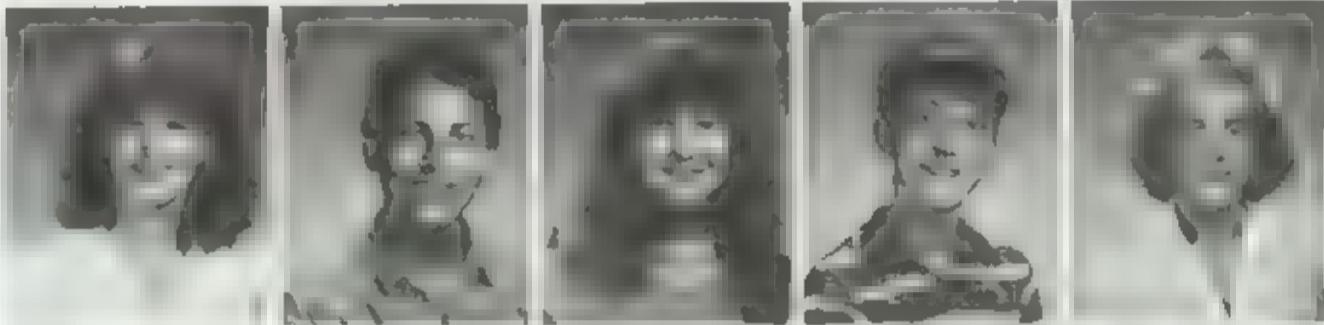

Just wait 'til next year! It seems like you're an underclassman forever. But then, one glorious day, you wake up and you realize; you are a senior! But until that day, seniors of tomorrow, being an underclassman can have its ups and downs. From the little freshman whose locker sticks, to the junior who fails an Advanced Algebra test, everyone is equal under THE classmen!

A continuing commitment, that's what this symbol stands for.

The symbol of Aid Association for Lutherans may look like a mere group of dots to you. But to us, it represents something very important: a continuing commitment to our basic purpose. That purpose is "to enable Lutherans and their families to aid themselves and others."

We do this in a variety of ways. Every year, AAL benevolence programs help literally thousands of people

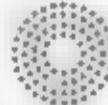

on national, regional and local levels.

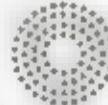

AAL insurance products also are expressions of our commitment. We help Lutherans and their families plan for their financial futures through life, health and retirement insurance.

So when you see this symbol, look beyond a mere configuration of dots. Think of a continuing commitment first made in 1902. Think of AAL.

"O CHRISTMAS TREE, O Christmas tree
GIVE A HOOT, don't pollute

IT'S BEEN REAL, FOLKS!
HULA ANYONE?
YOU DIDN'T EAT that, did you?

GETTING

laugh

WELL, isn't this special!

WATCH OUT for those rays!

AND THE CROWD ROARS

IGGIE LOVES YOU!

GETTING
